

Data Set Needed: Christmas Spending

For this project you need to build the following visualizations:

- 1) Bar chart showing the Spending by Category
- 2) Pivot Table showing the total amount spent by Year, by Category, by Region.
- 3) Pie Chart showing the Share of Spending by Category
- 4) KPI showing Average Spending Amount
- 5) Tree Map showing Spending by Year, by Category, by Region
- 6) Line Chart showing total spending by year.

Your dashboard should have elements such as these:
